Kia ora, how are you today?

We ask because we genuinely care

Access Community Health, including our specialist nursing division, Total Care Health, has been trusted for generations to provide nursing and home support services throughout Aotearoa New Zealand. We mobilise our skilled nurses and health support teams to deliver care when and where you need it - at home, in a workplace or place of study.

Expert, convenient wound care at home

If you have had an accident resulting in a wound that needs medical attention, you may not have to wait to see your GP.

Contact us direct if:

* Your wound is the result of an accident and

* You can't get a timely GP appointment or it is physically challenging to get to your GP clinic e.g. mobility issues, transport challenges

Our specialist nurses are contracted by ACC to provide wound care services in your home.

Services are **free** if your treatment is covered by ACC. If you are not eligible for ACC cover, we can offer private or co-payment options.

It's easy to refer yourself
